Hair Health

If You Have Scalp or Hair Trouble, Take Advantage of This Offer.

We could not afford to so strongly endorse Rexall "93" Hair Tonic and continue to sell it as we do, if it did not do all we claim it will. Should our enthusiasm carry us away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

We assure you that if your hair is beginning to unnaturally fall out or if you have any scalp trouble, Rexall "93" Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness.

Our faith in Rexall "93" Hair Tonic is so strong that we ask you to try it on our positive guarantee that your money will be cheerfully refunded if we do not do as we claim. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store, H. L. Perry.

Be Careful.

Richmond people have received the past week hundreds of circular letters from a Cincinnati shoe store, calling attention to the fact that their representative will be here this week with a full line of footwear for ladies and gentlemen and orders can be placed for single pairs. Richmond and Madison county people should stop and think before purchasing shoes from out of town concerns, who contribute nothing toward the upbuilding of this city or county. About one out of every hundred persons may have cause to purchase footwear in the city, because of a peculiarly shaped foot, but the local merchant can make any order that the larger city ones can fill. And besides, the leading brands of shoes are sold the same in every town in this country, as well as the large cities. The city store that takes your order here does not make the shoes to order, but fills them from the shelf just as the local merchant. You can't buy a \$5.00, \$4.00 or \$3.00 shoe of any reputable make, in Cincinnati, one cent cheaper than right here, because the manufacturers control the prices, and you must remember that the express is charged to you, which is always twenty-five cents and many times thirty-five.

Crowded House.

The dramatic class at the Madison Institute was greeted with a crowded house last Thursday evening to witness the three-act comedy, "The Man in the Case," given by these very talented young ladies, and after each act there was hearty applause. The very excellent training of these young actresses is assigned to Miss Moore, who brought out a wonderful display of talent, and much honor is due this gifted instructor. In handling the different parts special mention is due each member of the cast, for not one was

guilty of losing her lines for a moment or repeating a fault that is so often noticeable in amateur performances, and often with the trained actors. The play is such that it requires strong acting to bring out the little comedy it contains, but it was put on Thursday evening as perfect as an amateur cast could do it and reflects great credit on the school, as well as the members and Miss Moore. As a preliminary, a minute was danced by eight young ladies of the institute, which was well received, and a one act comedietta, entitled, "A Backward Child," was rendered by Miss Be-

the Herndon as "Miss Minklin, a governess," and Miss Marie Louise Kellogg as "Florence, a child of twelve."

The Patis A. Clay infirmary shared in the receipts, which proved a neat sum for this worthy institution.

Its True.

Warning to Railroad Men.

Look out for severe and even dangerous kidney and bladder trouble resulting from years of railroad work. Geo. E. Bell, 229 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroad work left my kidneys in terrible condition. There was a continual pain across my back and hips and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley's Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley's Kidney Pills to many of my railroad friends." Sold by Stockton & Son.

Buy Victrola.

The Elks lodge has just installed one of the latest models of the Victrola talking machine and has also purchased records by the leading singers of the day in all Grand opera selections, together with the very latest band pieces. It is one of the best things ever purchased by the lodge for the exclusive pleasure of its members and grand opera singers such as Caruso, Scotti, Schuman-Heink, Esme, Tetrazzini, Homer, Melba are now heard each night in a repertoire of beautiful selections.

Richmond's Enemy.

Sears-Roebuck & Co., the big mail order house of Chicago, declared 23.33 per cent dividend on its capital stock a few days ago. Thousands of dollars go out of Madison county each year to this mammoth concern, and they attribute their wonderful success to persistent advertising. An attractive catalogue is placed in the hands of the people and shrewd advertising writers weave such bargains around different articles that the unsuspecting ones are made to believe that the local merchant is charging exorbitant prices, when with a little investigation it is an inflexible quality. And the freight or express charges are seldom thought of until it is late. Trade at home if you must spend a few more dollars, it'll return to you. Cheap goods are cheap at any price.

An occasional sun bath is all the renovating a Stearns & Foster mattress ever needs, yet it will last a life time and always be comfortable.

STEARNS & FOSTER MATTRESS
